School Scorecard

What do you need to know when choosing a school for your child?

Join other parents, community members and DCPS staff for a discussion about what should be included on the DCPS School Scorecard – a tool that will provide detailed information to the public about each school in DCPS. We need your input on how to make it as useful as possible.

Come let us know what YOU need to know!

Date	Time	Ward	Location
May 4, 2010	6-7 p.m.	7	Smothers ES (4400 Brooks St. NE)
